Kolbe & Fanning
Numismatic Booksellers

Whether you are looking for recently published books, obscure monographs from years ago, classic auction catalogues, or bibliophilic treasures, Kolbe & Fanning has you covered.

OUT-OF-PRINT WORKS

Kolbe & Fanning's public auctions and online sales offer thousands of out-of-print numismatic titles each year. We include material in all languages and from all time periods, offering a truly comprehensive resource to furthering your library. In addition, our online bookstore at **numislit.com** stocks well over 1000 out-of-print numismatic works available for immediate purchase.

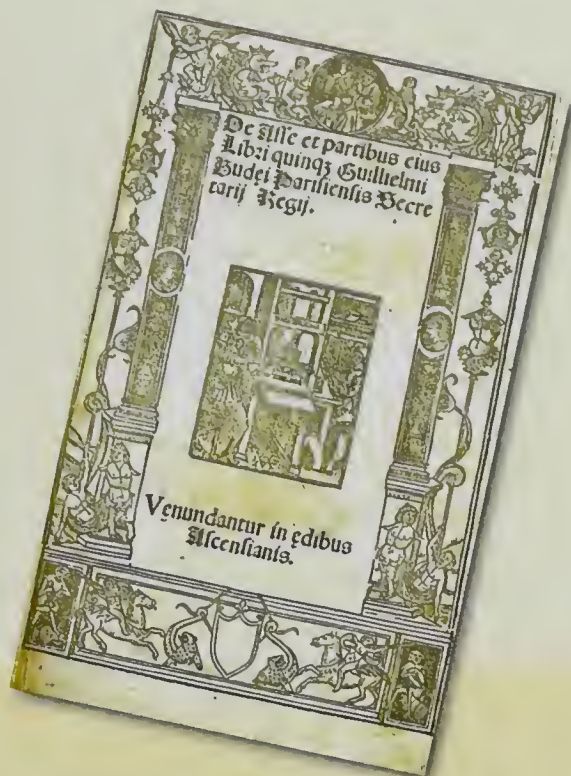

George F. Kolbe is Life Member No. 2316 of the American Numismatic Association, a member since 1987 of the International Association of Professional Numismatists, co-founder of the Numismatic Bibliomania Society, a Fellow of the American Numismatic Society and Royal Numismatic Society, and a member of the Rittenhouse Society and several other organizations. Kolbe is the author of *The Reference Library of a Numismatic Bookseller* and numerous articles on numismatic literature.

David F. Fanning holds a Ph.D. in English Literature from the Ohio State University and has been a student of numismatic literature since childhood. He is Life Member 6230 of the American Numismatic Association and is a Fellow of the American Numismatic Society and the Royal Numismatic Society. He is a member of the Rittenhouse Society and also belongs to many specialized and regional numismatic organizations. Currently, he serves as a Board member of the Numismatic Bibliomania Society, of which he is also a life member. He has published widely on numismatic literature, North American colonial coins, medals, U.S. federal coins, Islamic coins and other topics.

NEW PUBLICATIONS

On Kolbe & Fanning's online bookstore at **numislit.com**, you can find new publications on all aspects of numismatics. We routinely import new books from overseas and carry many new domestic publications, making special effort to stock works not readily available elsewhere.

RARITIES

Our annual New York Book Auction has become a highlight of the numismatic bibliophile's year, with important offerings of rare titles, plated catalogues, special editions, exquisite bindings, and other delicacies. With active participation from around the world, the sale frequently generates record prices and brings to the numismatic market significant works rarely seen elsewhere.
